Report of the Board of Health

We hereby submit the following report :

We are happy to say that we have but a few cases of contagious diseases to report. We had one death from tuberculosis in August. We had one case of typhoid fever at Canaan Center in September. We also had four cases of measles all in one family in January. And while there have been many cases of la grippe and hard colds we think that generally speaking our people have enjoyed very good health. There was some complaint about the ditch in the summer and we had it cleaned out, which seems to be about all that can be done without a good deal of cost to the town. We have had several complaints of nuisances which were disposed of to the satisfaction of all. We have made our reports to the Secretary of the State Board of Health according to law

Respectfully submitted

Trustees' Report of Canaan Town Library

FOR THE YEAR ENDING Feb. 15, 1912

The north side of the Library building has been shingled and new book cases have been built to accommodate the books which were overcrowded. More book cases will have to be built this year. Every year sees a gradual increase in donations but is by no means as large as it should be. The trustees solicit of every one to donate. Almost every person has books and magazines which have passed their usefulness in their own family and there is no better place to put them than in the library where others may have the advantage of them. The library has two long shelves filled with old magazines. There are numbers in many of the volumes which are missing. The library wants all your old magazines. Many people prefer them to bound books, and the trustees want to complete as many volumes as possible. One thing the library is in need of to make it more useful and that is a circulating magazine or periodical department. Ten to twenty good monthlies or weeklies circulating as the bound books now do would add greatly to the effectiveness of the library. The Trustees hope some time to get money enough to do it. There are many authors of which the library has not their complete works. The trustees are completing these sets as fast as their money will allow. Any library with but one half of an author's work is but half a library.

The trustees solicit the donation of any portraits of people who have lived in this town. It is the best place to preserve them and in future years they will be of great interest.

For the information of the Town School District voters of Canaan—We make the following Report:

At the schoolhouse, Sawyer Hill Division, we put on an addition to the shed, shingled, clapboarded and painted it; also put in a new window.

In West Farms Division, built two new closets with new doors.

At Red Schoolhouse, shingled and repaired one side of the shed.

And at Birch Corner plastered the walls of the entry.
